*As of 31st December 2014.

Dubai is a melting pot of old and new: from the history, culture and traditions of the Arab world to high rise business towers and bustling mega malls.

FALL IN LOVE WITH THE CITY

ELEMENTS IN HARMONY
EARTH, WATER, FIRE AND AIR

A TRIBUTE TO THE SENSES
SEE, HEAR, SMELL, TOUCH AND TASTE

WATER

PLACID WATER BODIES USHER
IN SERENE MINDSCAPES.

DAMAC Maison Canal Views, reminiscent of Venice, complements the horseshoe canal by providing the perfect setting for a lovely stroll along the canal banks while soaking in the sunset.

FIRE

CALM IN THE MIDST OF
FIERY ACTION.

Spread over 19 levels, DAMAC Maison Canal Views lets you experience peaceful serenity while living right in the midst of the buzzing Burj area - one of the most illustrious neighbourhoods in the world.

A large, white feather with a light brown quill is positioned diagonally across the frame. The feather's barbs are fine and detailed, creating a soft, textured appearance. The background is a clear, vibrant blue sky, which provides a high-contrast backdrop for the white feather. The overall composition is clean and minimalist, emphasizing the natural beauty and lightness of the feather.

AIR

SPACES DESIGNED FOR
HIGHER LIVING.

Tastefully furnished, the hotel apartments at DAMAC Maison Canal Views bring together the luxuries of a premium hotel with the homely comforts of family living.
