VIEWS 2

PROJECT BRIEF

A CANVAS FOR LIVING

Eltiera Views is the natural evolution of Eltiera Heights, a refined continuation that deepens the connection between design, lifestyle, and the serenity of its setting. Conceived as a residence for every version of you, it offers spaces that adapt to your rhythm, whether you seek stillness, movement, connection, or retreat. From vibrant social moments to quiet rituals, every detail is thoughtfully attuned to the many sides of modern living. The residential development is shaped by its surroundings, drawing its form and feeling from the tranquil lake, the sculpted greens, and the distant waters of Jumeirah Islands. Here, the architecture doesn't just frame the view, it flows from it.

A man in a light-colored suit is sitting on a modern sofa in a high-rise apartment, reading a book. The room is dimly lit, with warm light coming from a large window. Outside the window, a panoramic view of Dubai is visible, featuring a dense urban landscape, a large artificial lake with a bridge, and a city skyline in the distance. The floor is highly reflective, showing the man and the furniture.

JUMEIRAH ISLANDS, DUBAI-UAE

Nestled east of Sheikh Zayed Road, between interchanges 5 and 6, Jumeirah Islands is more than a neighborhood, it's a lifestyle enclave with one of the most unique land-to-water ratios in the world. Surrounded by shimmering artificial lakes, the community enjoys a rare 2:1 land-to-water ratio, making it one of the most tranquil, exclusive residential settings in Dubai. Positioned amidst Jumeirah Lakes Towers, The Meadows, and Jumeirah Park, the location strikes a powerful balance: secluded but connected, residential yet commercially dynamic.

STRATEGICALLY CONNECTED

Situated at the southern edge of Jumeirah Lakes Towers and just minutes from Dubai Marina, Emirates Golf Club, and Ibn Battuta Mall, the community offers seamless access to both lifestyle and business hubs, placing you at the intersection of convenience and connectivity.

Lifestyle integration

Laced with running tracks, landscaped parks, sports courts, and serene lakeside paths, the neighborhood makes wellness a natural part of everyday life. It's a setting that fosters clarity, calm, and effortless living, where lifestyle and productivity exist in perfect harmony.

Retail & everyday convenience

From International schools to curated retail at Jumeirah Islands Pavilions, every necessity is thoughtfully within reach. Adjacent community centers such as Meadows Town Centre and the JLT retail promenade further enrich the day-to-day experience with dining, shopping, and service offerings close to home.

A person is captured in a dynamic splash of water, likely in a swimming pool. The scene is set against a warm, golden sunset sky, with the sun low on the horizon. The water is splashing upwards and outwards, creating a sense of movement and energy. The person's legs and arms are visible, partially obscured by the water. The overall mood is refreshing and invigorating.
