A modern, spacious studio apartment interior. The room features a large bed with a tufted headboard, white linens, and two green pillows. A brown sofa with a pink blanket and a vase of yellow flowers is positioned in the foreground. A large window with brown curtains and a decorative screen offers a view of a beach and ocean. The floor is made of light-colored stone tiles, and a blue and white patterned rug is placed under the bed. A long, narrow abstract painting hangs on the wall above the bed. The word "STUDIO" is written in large, thin, black capital letters in the upper right corner of the image.
